Re: Syracuse TOPSOCCER Program

TOPSOCCER is a New York State West Youth Soccer Association and US Youth Soccer official program, designed for children with special needs ages 5 to 21. This exciting program brings the joy of playing soccer to players who have not had a place in the “traditional” youth soccer system.

The key to this program is participation, flexibility, and great volunteers. This letter invites you to join us to make this a huge success once again in Syracuse. Please visit NYSWYSA.org and click **TOPSOCCER** under the *Programs / Competitions* tab. Once inside you can register your child as a participant, or yourself as a volunteer.

Hope to see you soon. Please feel free to email Coach Bonnier at with any questions.

Sincerely,
Coach Eric Bonnier
Syracuse TOPSOCCER Director
